

Lime Slush

Char

1 large package lime jello

Dissolve in 2 c. boiling water

6 c. sugar

6 c. water

2 pkg. lime Kool Aid - unsweetened

1 small bottle lime juice

Dissolve above
add:

1 large can frozen limeade

1 large can pineapple juice
5c. cold water

Freeze above at least overnight
I freeze in shortening type cans.

Take frozen mixture out 1 hour
before serving. Just before serving
break up with fork & large spoon into
slush consistency

4 to 6 qts 7 Up or similar soda
Pour over slush

Serves 50 small cups. Add more
soda to serve more people. - Ken love this!
