

Burnt Almond Fudge.

6 eggs
~~2 1/2~~ ^{4 1/2} sq. Choc. ~~(maybe 5 1/2)~~
1 qt half & half
half tsp. salt
8 oz. almonds (~~3 oz is enough~~)
3 1/2 ~~4~~ c. sugar (~~too much~~)
3 cans evapor. milk
3 lbs. vanilla 1 c. milk

(I would add 2 more cups milk
or Cream so it isn't so Chocolaty)
& because this doesn't fill a 6 qt. - it
still doesn't quite.

Coat almonds with oil & salt. Brown
in oven & chop. Beat eggs till
thick & lemon colored. Add $\frac{1}{2}$ C.
sugar & beat. Add choc. & pour
everything in except nuts. Add when
nearly frozen.
