BAKED CHICKEN BREASTS

Recipe from: Norma Philbrick

6 boned chicken breasts
1 pkg. chipped beef
1 can cream of mushroom soup
1/2 pt. sour cream
Bacon

In hot water soak chip beef for a minute.
Line bottom of baking pan with beef. Lay
chicken on beef. Lay bacon on chicken.
Bake at 375° for 30 minutes.

Mix sour cream and uncooked soup in small
bowl. Pour over chicken and bake for
another 30 minutes.

I usually use the chipped beef in the bottle
but have used the one in the small package.
I use one slice of bacon, cut in half,
over the chicken. I use one slice of
chipped beef for each chicken breast.
